PROJECT TOOLKIT

Live Project Guidelines

Core guidance students should review before working on any live project.

General Guidelines for Live Projects

1. **Individual or Group Participation:** Students may complete the project individually or form a group of up to **four (4) members**. Group formation is entirely at the students' discretion; however, **all group members must belong to the same college/institution**.
2. **Weekly Project Reviews:** Students are expected to attend and follow the instructions, guidance, and action items shared by the Project Manager during the weekly live project review sessions.
3. **Self-Paced Learning:** This is a **self-paced Live Project**, and no strict weekly deadlines have been assigned to accommodate students' academic commitments. However, students are strongly encouraged to maintain consistent progress and actively participate throughout the project to maximize their learning experience.
4. **Recommended Time Commitment:** Students should dedicate approximately **2-3 hours per week** to successfully complete the project and achieve the intended learning outcomes.
5. **Project Report Submission:** Upon completion of the project, students must prepare a comprehensive **Project Report** in either **Microsoft Word (.doc/.docx)** or **PowerPoint (.ppt/.pptx)** format for evaluation. There is **no prescribed page or slide limit**. Students are encouraged to demonstrate originality and creativity by designing their own report structure and presentation format.
6. **Project Completion & Certificate:** There is **no fixed deadline** for submitting the Live Project report. Students may submit their project at any time after completing all the required work. Upon successful evaluation, the **Live Project Completion Certificate** will generally be issued within **3-4 working days**.
7. **Project Selection:** Students may choose **any one of the available Live Projects**. Those enrolled in multiple project roles may either work on all projects simultaneously or complete them sequentially, based on their convenience.
8. **Group Submission Policy:** For group projects, all team members must work on a common project report. However, **each member is required to submit the report individually through their own LMS account** to be eligible for evaluation and certification.
9. **Submission Process:** **All project submissions will be accepted exclusively through the LMS Portal**. Reports submitted via email, WhatsApp, Google Drive links, or any other platform will **not** be considered for evaluation.
